TEAM NOMINATIONS

In order to be placed into a team prior to the commencement of the football season, a player **registration must be submitted, paid in full and approved by the team nomination cut-off date of 14th February 2021.**

Registrations will only be taken after this date where a vacancy exists in a team. The cut-off date rule applies due to the strict timeframes club have to submit team nominations to the Nepean Football Association (NFA).

All returning players from the previous season will remain in their same team (except for graded division 1 teams) unless requested to be moved.

Where returning players request to be placed into a different team, these requests can only be accommodated provided there is a vacancy in that team.

This same rule applies for any new players to the club. All registration enquiries should be directed to the club registrar via **register.scusc@gmail.com**
